Rights and legal positions regarding the contents of this website

Definition of the term *contents*

The term contents refers to all the contents of this website, including but not limited to the font code, design and structure for navigating the website, and also any distinctive signs, videos, photographs and texts displayed on it.

Rights and legal positions regarding the contents

The contents of this website are subject to intellectual property rights, industrial property rights, image rights or rights or legal positions of a similar financial nature that are the property of TRB or third parties that have granted it the appropriate

licenses or authorisations. Therefore, access to this website does not grant users any ownership or right of use over the contents (through, for example, reproduction, distribution, public communication, making available or transformation), unless TRB or the third parties owning the rights or legal positions authorize them by indicating it on this website or through written licenses or authorisations for the purpose.

Therefore, TRB reserves the right to use watermarks, technological devices or other security measures that enable online tracking or monitoring of unauthorized use of these contents. . In any case, TRB reserves the right to bring any appropriate legal actions against users of this website who infringe the said intellectual property rights, industrial property rights, image rights or rights or legal positions of a similar financial nature.

If a user considers that any of the content of this website infringes the rights or legal positions of third parties, he must immediately notify TRB at the above-mentioned email address, so that TRB can analyze and assess the issue.

Right of exclusion

TRB reserves the right to refuse or suspend access to this website, without prior notice and at its own discretion, at any time, permanently or temporarily, to users who breach the terms and conditions, without prejudice to any legal actions it may bring against the users. .

Responsibilities

1.- User responsibilities

Users use the service under their sole responsibility.

All associated devices and software needed to access the service are the user's exclusive responsibility. Therefore, it is the user's responsibility to take all appropriate and necessary measures to protect their data, computer systems or software from potential virus infections.

Equally, users are solely responsible for the use they make of the service.

2. Responsabilitat d' TRB

TRB is not liable for any damage or other consequences resulting from the use of the service by users.

TRB is not liable for any damage or other consequences resulting from the unavailability of this website or its contents due to technical reasons or security, checks, updates or maintenance, or errors caused by servers or intermediary third parties or providers.

TRB is not liable for any damage caused to users of this website by software, viruses or other elements beyond its control.

TRB has no control over the services, contents or other elements that users of this website may access through technical devices such as links, directories or other means that can be accessed via this website (such as Facebook, Instagram, Twitter, LinkedIn and similar). Therefore, TRB is not responsible for the technical availability, quality or accuracy, among others, of the services, contents or other elements accessed, or any damage or other consequences resulting from their use, unless TRB has direct control over the editing of those contents.

Without prejudice to the above, if the user considers that the rights or legal positions of third parties are infringed through any of the technical devices such as links, directories or other means that can be accessed via this website, he must immediately notify TRB at the above-mentioned email address, so that TRB can analyse and assess the issue.

TRB can interrupt the service, temporarily or permanently, if it cannot or simply decides not to continue operating the service. In such cases, users' access will be immediately canceled and TRB cannot be held liable.

Equally, TRB reserves the right, at any time and without prior notice to the users, to modify any data, information or other contents of the service, when updating or correcting errors or inaccuracies.

Insofar as it does not contravene the provisions of applicable legislation, if TRB is considered liable for any damages not established in this article, its liability will be limited to specific, real and tangible damages.

TRB guarantees that any processing of your data that it carries out is under strict professional secrecy, and that the appropriate technical and organizational measures have been established to ensure the security of your personal data and prevent their alteration, misuse, loss, theft or unauthorized access.

7. Changes in the privacy policy

This privacy policy is subject to periodical amendments under current applicable legislation. We therefore advise you to consult it regularly.

Cookie policy

1. General provisions

This website uses cookies, i.e. small data files generated in computers and other mobile or electronic devices used to access the website. Among other purposes, the cookies allow information to be obtained about the date and time you access the site and the content you select, which helps Tuscany Ride a Bike sls (hereinafter, "TRB") to improve the quality and security of those contents.

Equally, this website does not use embedded scripts, web beacons, visitor counters, log files or any other technologies, apart from the above-mentioned cookies, to collect information about you and any interactions you make with our information or the advertisements we sponsor at any time.

Moreover, we only store cookies on your device if they are strictly necessary for the website to function. We request consent for all other types of cookie and will therefore not store any – apart from the above-mentioned cookies that are strictly necessary for the website to function – unless previously accepted by you.

You can modify or withdraw your consent under the provisions of this policy.

Wherever cookies from this website are able to collect personal data, TRB will process the data according to its privacy policy.

Accordingly, unlike other webmasters, TRB considers that the IP address of the device you use to access this website, the unique ID of your mobile phone and your unique advertising ID are data that could be used to identify you if desired, effortlessly, so TRB considers them to be personal data. On this basis, any other information linking the cookies (own or third-party) in any way with the IP address or above-mentioned unique IDs are also considered personal data by TRB.

To obtain further information relating to TRB and its contact details, and about how this company processes your personal data, you can access TRB's privacy policy through the following link: [Privacy policy](#).
